## ROJIL AWALE

Khumaltar -15, Lalitpur, Nepal

### OBJECTIVE

I intend to expand the existing business of my father. I would also like to improve and bring changes to the production process, operation management and human resource management that is currently being used in my family's factory.

Digitizing the outdated analog sectors such as book of accounts and entry, marketing and promotion, et cetera.

After stabilising the family business or handing it over to my younger brother, I would then like to work for something that I love.

### SKILLS

- Busy Business Accounting Software.
- Good Communication skills.
- Quick learner.
- Proper work ethics.
- Ability to work independently with minimal supervision as well as in team.
